

K-love radio station 89.5 has great things to offer Me in it's music and comintation. I listen to K-love all the time in the community I get people to settle down them knowing I'm only there to help.
k-love has helped in my community by people changing to K-love and finding a better way to live as well as myself Please don't change anything.....Please Iam a member of a great community and I don't want K-Love changed in NOWAY. Thank You, Tim Piland
